About Us

01

 venadocoffee

 venadocoffee

The Heal Global Coffee Team, which entered the coffee sector for the first time in 2002, carefully follows all stages of coffee from tree to cup by combining their retail and wholesale food sales experiences in different fields they dominate. Focusing their overseas experience in Turkey especially on Turkish Coffee, Espresso, Filter and Capsule Coffee, the team has found a place in the domestic and international Sunday in a short time with its superior coffee production technology and hygiene standards.

Bean

COFFEE

Our coffee varieties, including carefully roasted, Medium, and Dark, are available.

04

Stella

Espresso Blend
Medium Roste
Whole Beans

Stella
Aromatic Notes:

This coffee selection is characterised by aromatic notes of floral, sweet forest fruit and chocolate.

Blend:

Venado Stella Coffee consists of 100% fine blended Arabica beans from South America, Middle America and Africa

Intensity:

The medium roast and the 5/10 intensity gives a smooth, velvety mouthfeel to this reddish/brown coloured coffee

Moreno

Espresso Blend
Dark Roste
Whole Beans

Moreno

Aromatic Notes:

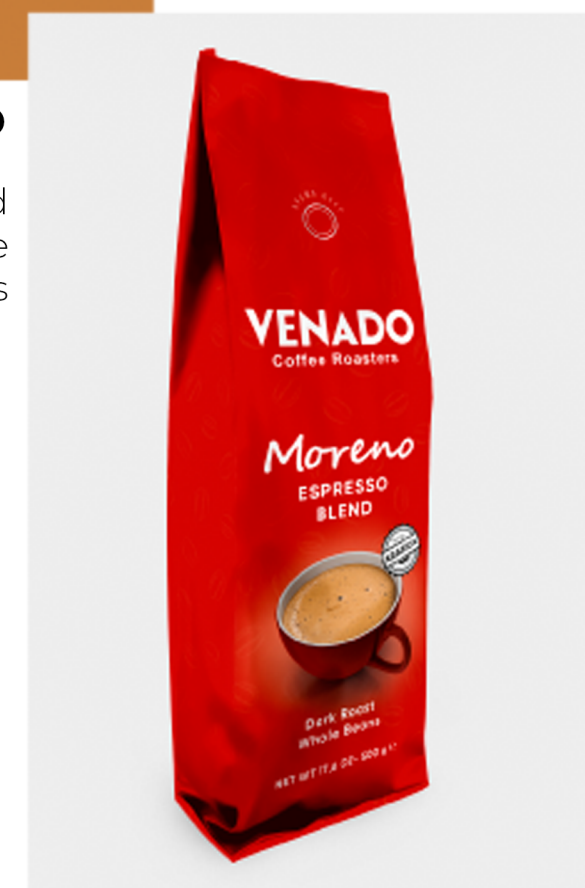

This coffee selection is characterised by aromatic notes of chocolate, nuts and dried fruit for an intense flavour

Blend:

Venado Moreno Coffee consists of 100% fine blended Arabica beans from South America and Middle America

Intensity:

The medium to dark roasting and the 7/10 intensity give a rich taste to this rich brown coloured coffee

Filter COFFEE

Luna

Filter Coffee
Medium Roast
Freshly Ground

LUNA Filter Coffee:

Venado's Luna filter coffee, also known as drip coffee is more coarsely ground for optimal extraction with filter coffee machines, drip coffee makers and French presses.

Roast and Aromatic Notes:

Our delicious LUNA filter coffee is a light to medium roast and has a lingering sweetness and delicate notes of dark chocolate, sweet caramel, lemonade and bergamot.

Blend and Intensity:

Venado's distinctive smooth, medium-bodied taste is created from the skilful blending of 100% sustainably-grown Arabica beans, selected from different growing regions around the world

Capsule

Capsule Coffee

Our carefully flavored varieties with different degrees of roasting ;

Clásico & Intenso

Vanilla, Caramel & Hazelnut

Nespresso® Compatible Aluminum Capsule
